

Parking at Legends

The parking lot immediately behind (south) of Legends is for Legends patrons only.

Accessing the Lot:

Entrance to this lot can be obtained by heading north on Eddy Street, beyond Edison Road/Angela Boulevard. Continue through the first stop sign and take your next right into the Legends one way drive. Passengers may be dropped off here. Continue around the building and press the red button at the first gate to enter the lot. Free parking is permitted anywhere in this lot for Legends patrons. Please observe the handicap & loading zones. Signage illustrates the walkway to the entrance. Access to the lot may also be gained from the south off Holy Cross Drive.

Exiting the Lot:

Exit to the south only - do not enter the Legends one way drive. We use a different code each day which is displayed at the bottom of each guest's receipt. As you exit the Legends parking lot, you will encounter a keypad. Simply enter the four digit code and the automatic gate will rise, allowing you to exit the lot.

The lot is only open during Legends business hours. Overnight parking is prohibited.
